

*Brits at the Parthenon
16th Annual Nashville British Car Show
Centennial Park, Parthenon Lawn
Saturday, October 9, 2010*

To: British Car Enthusiasts and Business leaders

The Nashville British Car Club is once again making preparations for our annual British Car show. We have hosted our show since 1994 at a variety of locations around the Middle Tennessee area. Each year over 120 cars have participated in the event with both local owners and many from out of state. Many hours of hard work and planning by our faithful and dedicated members take place each year to truly make this event a spectacular show. The show is open to all British cars, trucks and motorcycles. Entrants will choose winners from 20 classes by popular vote.

We are very excited to have secured Centennial Park for this year's event. Centennial Park will provide the club with huge exposure to the general public that we have never enjoyed before. If you factor in Parents weekend and a Vandy football game the same day, we believe this will be the greatest event the Nashville British Car Club has ever hosted. In the past we have always enjoyed enthusiastic support from the local area and are again asking for sponsors to help support this event. This year we are offering 3 levels of corporate sponsorships. Please choose the level that best meets your interest.

Because of their tireless effort during the recent flooding and their on going community support, Second Harvest Food Bank has been chosen as our designated charity for this year. Along with a 50/50 raffle and a monetary donation based on a percentage of the show proceeds, we will be collecting non-perishable foods at the registration tent to bring to Second Harvest. For more information on Second Harvest, please visit their website at www.secondharvestmidtn.org.

We hope you will find room in your budgets to help make this year's show a truly memorable one.

Please visit our website for more information or call Curt or Debby Curtiss at 615-469-7822 or email info@hostmyride.com.
