

Greetings NBCC Members Summer is in sight and there are a lot of activities planned.

April showers may bring May flowers but, they killed the drive planned by Paul and Gerda Resch. A lot of time, planning and effort went into getting ready and we thank them for that.

Event: May Drive

Date and Time: May 7 @ 12:00 PM - 3:00 PM

Location: Start at the Chili's restaurant at the West end of the parking lot at 107 Creekside Crossing in Brentwood (Maryland Farms) at 12:00 noon

Route: A leisurely tour to beautiful Bon Aqua TN. We will go for an approximately hour and a half drive to a restaurant in the area.

Hosts: JD and Cindy Damon

RSVP to: JD at May NBCC Drive or 1jd@comcast.net to get a headcount to the restaurant.

Event: May Dinner

Date and Time: May 21 @ 5:30 PM - 7:00 PM

The dinner is scheduled to begin at 5:30pm so early birds don't get to the restaurant and find the door locked.

Car Show: After having lost Centennial Park due to construction of the main field below the Parthenon, we have decided to hold the **2017 Car Show on the grounds of the Tennessee Baptist Children's Home in Brentwood on October 14th, 2017**

Anyone who has attended the **Kars for Kids** event knows what a beautiful venue it is with easy access from I65, ample grass space for our cars, trees for shade, parking for visitors and trailers, restrooms, an auditorium and electricity.

We believe our association with the Tennessee Baptist Children's Home will be a win for both the club and their cause of providing shelter and hope for disadvantaged children in Middle Tennessee

Cars 'N Coffee: Our first event was successful with approximately 40 British Cars (including 7 beautiful XKE's!) in attendance. We will be there again on the 20th and will block more spaces to try and have reserved parking for everyone.

Land Rover Documentary: A 50 Year Adventure is a documentary about one of the world's most famous, and most successful 4x4 manufacturers – Land Rover.
