

Greetings NBCC Members, The holidays are coming but there is still time for a couple of great club events!

What a great car show! Thanks to all who supported and participated, it is our premier event of the year. The New location was a hit and we have reserved it for 2018. Thanks to all who helped plan, execute and participated making it a success!

Wearables: I will be placing a follow-up order for polo shirts and hoodies so, if you are interested in either please send me your men's or women's size for polos @ \$38 or adult size for hoodies @ \$40 and we will get your order in time for the holidays.

Note: British Car Day at Cool Springs is suspended until spring. However, if it is a nice day, there will usually be club members there most any Saturday so, come join us!
